Lesson 2

MAN WHO LIVED WITH GOD

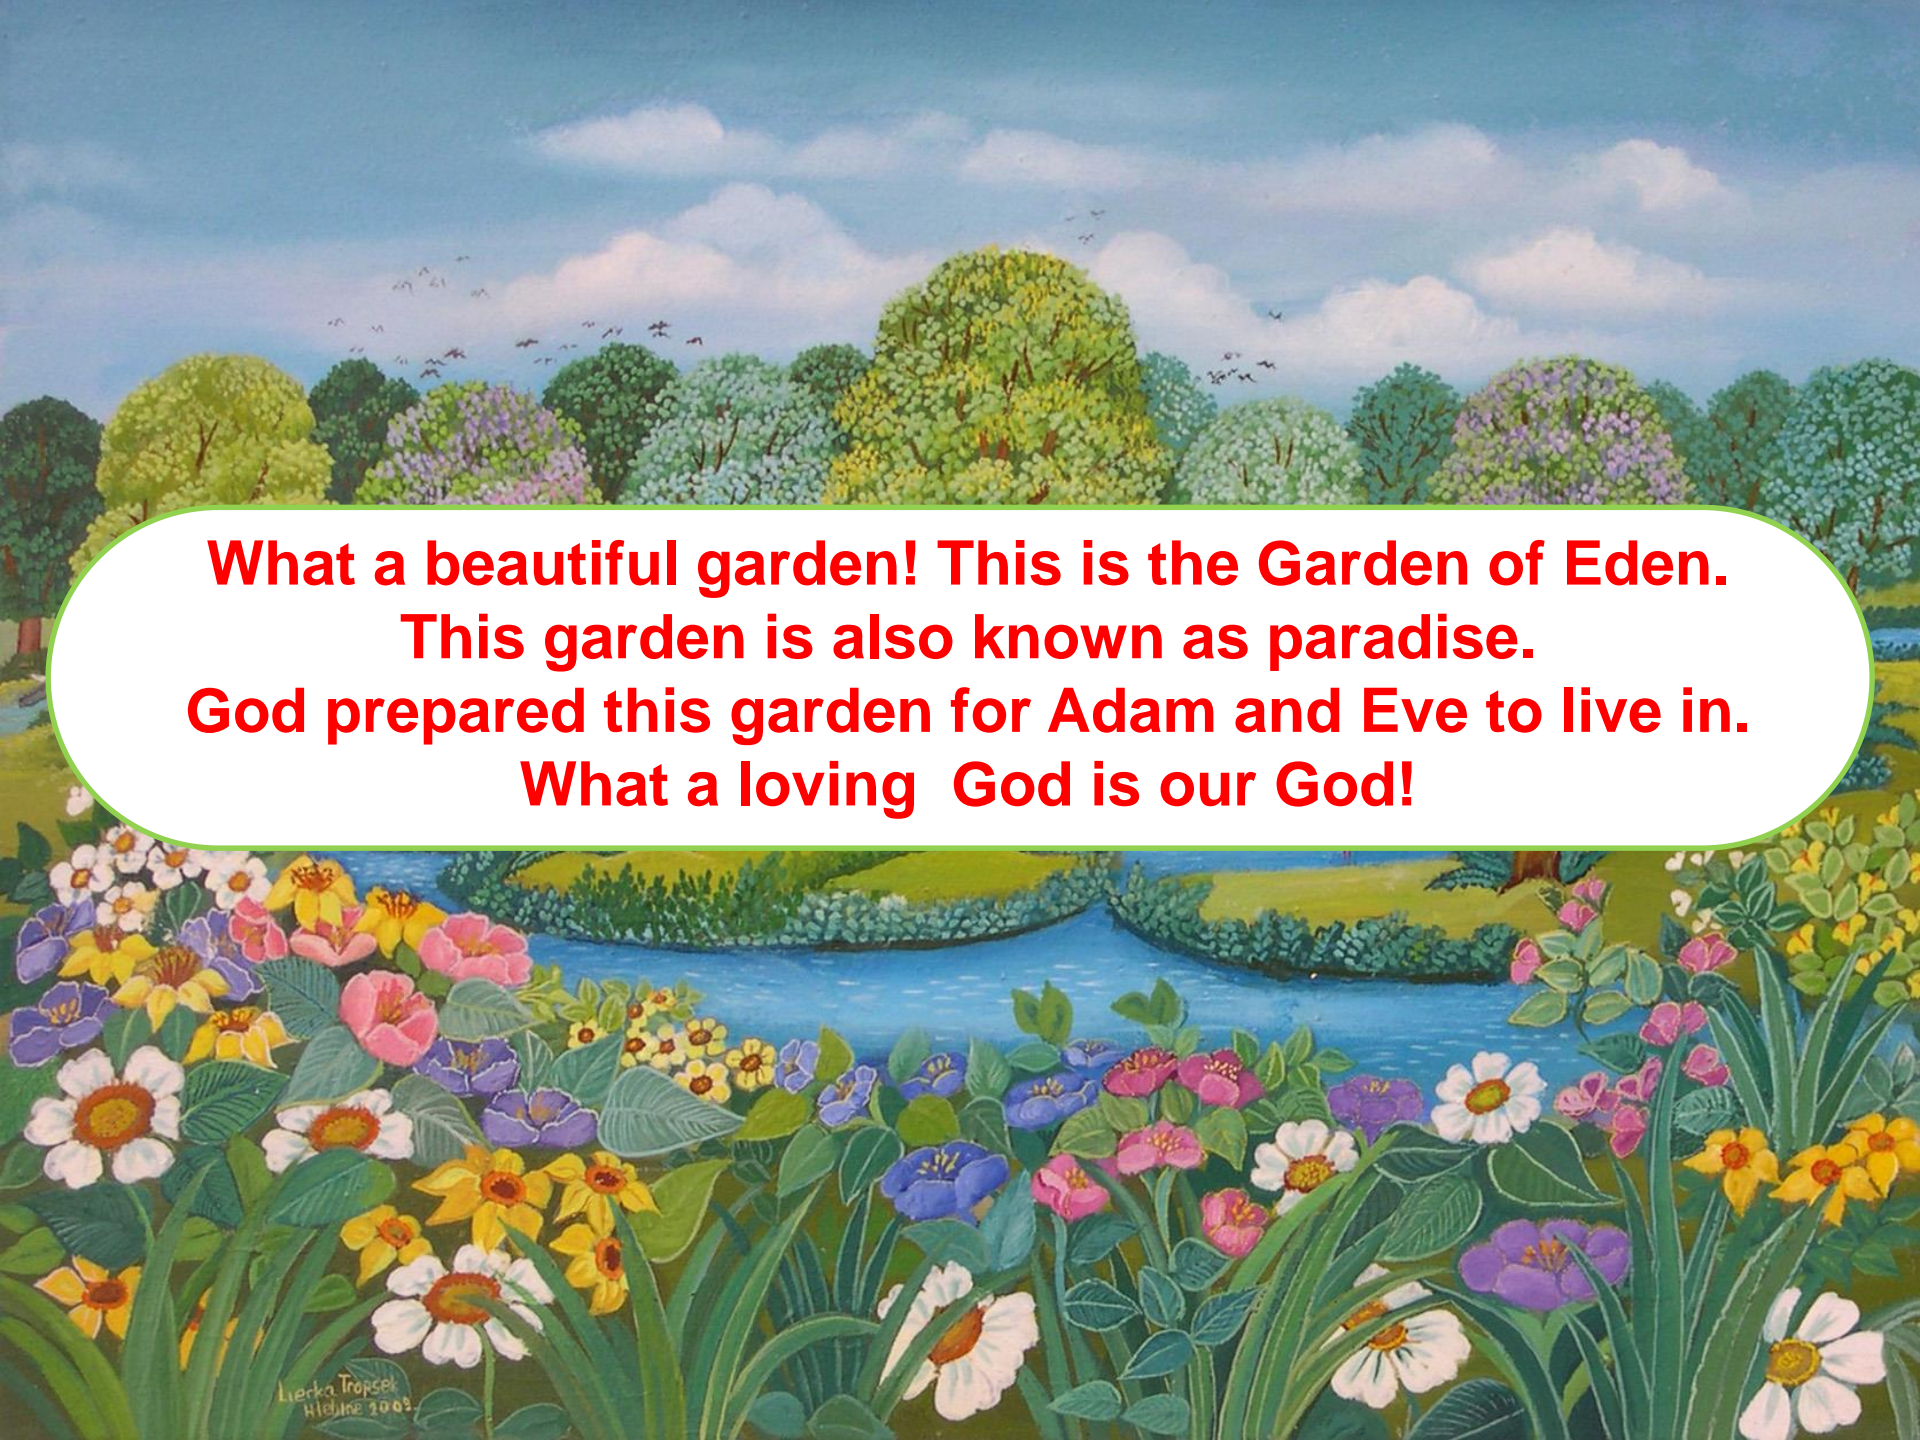

A vibrant, detailed illustration of a garden. In the background, a waterfall cascades down a mossy rock face. A river flows through the center of the garden, reflecting the waterfall. The garden is filled with various plants, including large green leaves, yellow flowers, and red foliage. The scene is set in a dense, green environment with trees and bushes.

**There, in the East, existed a garden. The garden was full of trees.
Everywhere, fragrant flowers in different colours and attractive
delicious fruits.**

A beautiful river was flowing through the garden.

**In the middle of that garden there were two trees;
The tree of life and the tree of good and evil.**

**What a beautiful garden! This is the Garden of Eden.
This garden is also known as paradise.
God prepared this garden for Adam and Eve to live in.
What a loving God is our God!**

Adam and Eve loved and obeyed God, and thus lived happily.

They lived with God.

They lived happily in the Garden of Eden.

When we live with God, we are happy.

Don't we want to be happy?

What shall we do to be happy?

If we want to be happy we must live with God.

When we live with our parents, don't we feel happy?
God loves us very much. He longs to live with us.
If we love and obey God, we will also be happy.

**The joy that we obtain by living with
God is the joy of Paradise.**

LET US SING

Love it was that made us,
And it was love that saved us,
Love was God's plan,
When He made man,
God's divine nature is love.

Love is a wonderful thing,
Joy in our hearts it will bring,
Where there is love there is God,
And where there is God there is love.
